Gentlemen:  
About three years ago I was taken with a severe case of rheumatism and indigestion which caused much pain and suffering. The best doctors treated me for months without giving me any relief. After making a complete failure of my case they told me the nerves and muscles of my legs were so diseased that I could never be cured. One of my legs at this time had perished away to half its natural size; I then took all the guaranteed remedies that I could hear of without getting the slightest relief. I was finally persuaded by my wife to try a bottle of Garren's Blood Purifier and Tonic, and the results were really wonderful. Before I had taken a fifty cent bottle my indigestion was gone and I could eat and sleep well. The pains went away and I improved so rapidly that in less than sixty days I was completely cured. And best of all, it has been twelve months since I have felt any of my old symptoms. Now I can do all kinds of heavy lifting without ever feeling any inconvenience from my rheumatism. I am a strong and healthy man and tip the scales at 180 pounds.

THE UNIVERSAL CAR

Every Ford Owner Should Know

Just what Ford service is, and why it is different from ordinary garage service. The Ford Dealer is a part of the Big Ford Family. He carries a large stock of genuine Ford parts for repairs and replacements, and he uses only genuine parts because he knows the imitation parts aren't dependable.

He has a thoroughly-equipped, up-to-the-minute garage with tools that enables his Ford mechanics to efficiently and properly make any repair—from a minor adjustment to a complete overhaul.

Now, we are Authorized Ford Dealers—a part of the great Ford Service organization which was formed chiefly to put within each community a dealer who would have more than a passing interest in Ford repairs and adjustments. Drive in or phone or we'll come for your car.

## BIRTHDAY DINNER

On Saturday Nov. 22, 1919 the children of T. J. Fisher gave a picnic dinner at his home, in honor of his 69th birthday. The children prepared the dinner at their homes and carried it to the home of their father, where it was spread on the table in a most charming manner. Chairs were placed at the table for all the old people, T. J. Fisher being at the head of the table. He received many presents, also \$5.00 in cash. He enjoyed the day as a child would enjoy Santa Claus visit.

There was a large crowd present about 75 in number, the oldest being 75 years old down to a 4 months old baby. After dinner the people gathered around the fireside and talked of the past present and future.

All the children were present except the oldest, Mrs. Howard Fisher of Blackfoot Idaho, and the youngest girl Mrs. Cole Ridley, of Atlanta

Ga.

May we all look sordward for a better day if we should all be spared to live another year. Best wishes for the Journal.

A DAUGHTER.

prompt attention of a competent physician. Unless such condition exists, the weak, white youngster who takes no pleasure in romping or playing can be very materially helped by a course of that thoroughly dependable blood enricher and general tonic, Gude's Pepto-Mangan. This standard remedy for Anemia (Bloodlessness) has been continuously prescribed by physicians all over the world for nearly thirty years, to restore the

weakened, watery blood to its normal condition, and thus improve appetite, add color to pale lips and cheeks and impart strength to the whole body. Gude's Pepto-Mangan can be had in both liquid and tablet form (no difference in its effect), the liquid, of course, being preferable for young children. When buying Pepto-Mangan, be sure the name "Gude's" is on the package. Without "Gude's" it is not Pepto-Mangan.
